

Torrance and South County SPA 8

COMPASSION NETWORK

No one person or organization can do it all—and that's okay. We want you to feel supported, not isolated, in the work you do every day. This event creates space to build real relationships with other helpers in our community, so when a need arises that you can't meet, you'll know who to reach out to—someone you've actually met, not just a name on a list.
